Want a Career in Construction?

With the construction industry booming across the West Midlands, there is no end of employment vacancies for major infrastructure projects. RMF are offering a FREE training to eligible residents of the West Midlands Combined Authority, in partnership with employer partner, Winvic. Trainees with a willingness to work, commitment and enthusiasm, will all be given employment interviews with Winvic's supply chain on completion of training.

What qualifications are included?

- Level 1 Health and Safety in a Construction Environment
- CSCS card + touch screen test
- CPCS qualification

Course Start date: **Monday 1st November**

Course Duration: **8 weeks in total with CSCS + CPCS**
